## PROFESSIONAL SUMMARY

Data-driven professional completing a Master of Data Science at Adelaide University, with experience in data analysis, statistical analysis, financial reporting, reconciliation and business intelligence. Proficient in SQL, Python, Power BI, Excel and R, with experience transforming data into accurate reports, dashboards and decision-ready insights. Experienced working with financial and operational datasets, investigating discrepancies, analysing trends and supporting data-informed decision-making. Strong interest in applying analytical, quantitative and modelling skills to financial management, forecasting, policy and government decision-making.

## CORE SKILLS

**Data & Statistical Analysis:** Data Analysis, Statistical Analysis, Exploratory Data Analysis (EDA), Data Cleaning, Data Modelling, Regression Analysis, Predictive Analytics, Trend Analysis, Forecasting, Data Validation.

**Business Intelligence & Reporting:** Power BI (DAX, Power Query, Data Modelling), Tableau, Excel (Pivot Tables, Power Query, Advanced Formulas), KPI Reporting, Financial Reporting, Operational Reporting, Data Visualisation.

**Programming & Data:** SQL (CTEs, Window Functions, Stored Procedures, Query Optimisation), Python (Pandas, NumPy, Matplotlib, Scikit-learn), R, ETL/ELT.

**Business & Financial Analysis:** Financial Reconciliation, Financial Analysis, Variance Analysis, Reporting, Process Optimisation, Stakeholder Communication, Requirements Analysis, Data Governance.

**Languages & Query:** SQL (Window Functions, CTEs, Stored Procedures, Query Optimisation), Python (Pandas, NumPy, Matplotlib, Seaborn, Scikit-learn), R

**Technology:** MySQL, PostgreSQL, SQL Server, Azure Data Studio, Azure/Cloud Fundamentals, Git/GitHub, Jupyter Notebook, VS Code, JIRA.

## EDUCATION

### Master of Data Science

Adelaide University, Adelaide, SA

Jan 2025 – Dec 2026 (expected)

### Bachelor of Computer Science and Engineering

Gujarat Technological University, Gujarat, India

Apr 2019 – Feb 2023

## PROFESSIONAL EXPERIENCE

### Analyst, E-Commerce Department

Patterns LLC

Vadodara, India

Nov 2023 – Jun 2024

- Delivered accurate **financial and transaction reporting** for a UK-based client, supporting reporting accuracy and compliance requirements.
- Performed **monthly bank reconciliations** across multiple accounts and posted journal entries using Microsoft Dynamics.
- Investigated **data discrepancies and reporting variances**, identifying inconsistencies and supporting accurate financial records.
- Performed **data cleaning, validation and analysis** on transactional datasets to identify anomalies and improve reporting accuracy.
- Used Excel to **analyse, consolidate and interpret financial and operational data** for client reporting and decision-making.

### Data Associate

Dominator

Vadodara, India

Feb 2023 – Aug 2023

- Built a **Customer Churn Analysis** report using **HubSpot CRM**, segmenting customers into risk tiers based on application usage patterns.
- Conducted online market research and generated qualified leads through systematic data gathering and data mining.
- Analysed client requirements and proposed tailored solutions, coordinating directly with clients on proposal development.
- Managed and retained relationships with new and existing client accounts.

## KEY PROJECTS

---

### Surgery Data Modelling (Capstone Project) | Python, Multi-variate Modelling

Industry Partner: Central Adelaide Local Health Network (CALHN)

- Current

- Contributing to a multi-variate scheduling model for CALHN's elective surgery program, supporting prioritisation decisions across ~7,500 patients.
- Working within the Model/Algorithm team to correct patient-priority logic and validate scheduling calculations against real hospital data.
- Collaborating with industry and academic supervisors to build a modular, business-rule-driven model adaptable to policy change.

### Financial Analysis Report Dashboard | Power BI, Power Query, DAX

- Built an end-to-end Power BI dashboard analysing Sales, COGS, and Profitability across products, segments, and countries using a star schema data model.
- Applied Power Query for data cleaning/transformation and DAX for KPI calculations on a real-world, imperfect dataset.
- Delivered insights across 7 dashboard views, tracking \$49.11M in sales and \$8.63M in profit, and surfacing key drivers like discount impact and segment performance.

## VOLUNTEERING & CAMPUS INVOLVEMENT

---

### Academic Integrity Ambassador

Adelaide University, Adelaide, SA

May 2026 – Present

- Promoted academic integrity awareness through course/program visits, presentations, and campus-wide activities.
- Served as a peer point of contact for Academic Integrity within the college, liaising with Course Coordinators.
- Organised and facilitated student-led workshops and events focused on academic integrity awareness.
- Assisted in developing educational resources and supporting conferences, colloquiums, and panels.
- Contributed to social media and marketing efforts to broaden the initiative reach.

### Peer Connect Guide

Adelaide University, Adelaide, SA

Feb 2026 – Present

- Supported new students' transition into university life by connecting them with peers and sharing academic and wellbeing resources.
- Contributed to a welcoming, inclusive campus culture through Orientation and engagement activities.

## CERTIFICATIONS

---

- **Google Data Analytics Specialization** (Skills: Exploratory Data Analysis (EDA), Data Visualisation) Google, Issued Nov 2025
- **Deloitte Australia Data Analytics Job Simulation** Forage, Issued Dec 2025
- **Data Analytics Job Simulation** (Skills: Data Preparation, Data Analysis) Quantum, Issued Jun 2026
- **Microsoft Power BI Desktop for Business Intelligence** (Skills: Microsoft Power BI, Power Query) Udemy, Issued Mar 2026
- **Model Context Protocol: Advanced Topics** Anthropic, Issued Jul 2026

## HONOURS & AWARDS

---

- **Adelaide University Impact Award** Adelaide University, Jul 2026  
Recognises engagement as an Academic Student Representative (ASR) through Adelaide University's Student Voice program, reflecting contributions to improving the academic experience for peers.

## REFEREES

---

### Claudia Gottwald

Academic Integrity Skills Officer

Adelaide University

claudia.gottwald@adelaide.edu.au

### Shannon Alpi

Student Experience Officer

Adelaide University

shannon.alpi@adelaide.edu.au
